

Easy steps to get certified

LOG ON TO www.sapindiacement.com

Answer the prerequisite questions to know the eligibility criteria for direct certification.

UPLOAD YOUR RESUME.

Upload your resume with the relevant experience pertaining to the certification you have requested.

STATUS OF PROFILE UPLOADED

SAP India resource admins will revert to you on the status of the profile submitted within 4 to 5 business days.

POST APPROVAL.

Send in the documents and payment as requested in the approval mail to the below mentioned postal address. On receipt of the documents and payments, SAP Education will provide the dates and locations available for certification for a given period.

SAP India Pvt. Ltd.

Prestige Ridge, #5, Domlur Service Road, Domlur, Near Shanthi Sagar, Bangalore 560 071, India

DATE CONFIRMATION FROM PARTICIPANT

On receipt of the slots from SAP Education, candidate is requested to send a mail to SAP confirming the date suitable in order to appear for certification.

SLOT ALLOCATION FROM SAP

SAP will allocate slots on first come first serve basis to the participants

FINAL BOOKING AND CONFIRMATION

SAP Education will send across the venue and timing details to the candidate registered for the certification 4 days prior to the certification date.

POST CERTIFICATION.

On completion of certification, candidates who have successfully cleared the certification will receive the hardcopy of SAP global certificate 6 weeks from the date of certification. The certificate will be dispatched to the address mentioned in the consent form provided by the candidate. Candidates who have been unsuccessful in clearing the certification will receive their score sheet as an email copy within the 6 week time period from the date of appearing for certification.
